The flood repair work on the highway of Powers Hill was completed during the year. The foundation for the sidewalk was also put in place, so that now the only part of this work remaining is the construction of the asphalt surface of this sidewalk. The State contributed \$2,045.90 towards the cost of the road work and the balance \$792.44 was paid out of the General Highway Fund.

A new sidewalk was built on Meadow St. replacing that destroyed in 1927. Sections of walk on South St., Church St., and High St. were repaired. A short section of new walk was also built on North St.

The amount spent for sidewalk construction and repairs amounted to \$1,248.84, and the funds were taken from the Town General Account.

As reported by the Road Commissioner the Permanent Highway funds paid for the improvement of two dangerous

curves on the Rutland East Road. One near the Chatterton place and the other at the Village entrance. A sum of \$725.42 was also used out of this account for improving our storm sewer system in various locations on the selected highway.

Two dangerous places on Church St. were improved by ledge removal. The cost of this was \$872.95, which amount was taken out of the Town General Account.

For the first time in several years each of the various Town Accounts, end the year with a credit balance. The Treasurer's books show a credit balance of \$129.23 in the Town General Account; a credit balance of \$52.24 in the General Highway; and a credit balance of \$825.20 in the Permanent Highway Account.

The Auditors' report cash in the bank as \$1,192.26 with outstanding checks amounting to \$185.59, leaving a net balance of \$1,006.67.

Early in the year Mr. Charles E. Holden, who has served the Town as Clerk, Treasurer and Overseer of the Poor, since 1916, requested to be relieved of these duties as soon as arrangements for a successor could be made. His resignation of the first two offices was accepted as of October 15, 1930, and Miss Sarah B. Humphrey was appointed Town Clerk and Town Treasurer. The office of Overseer of the Poor has been handled by the Selectmen since Jan. 6, 1931, with Miss Humphrey acting as Deputy Overseer.

We have omitted in the Town Report to list in detail each of the various orders drawn by the Selectmen, Overseer of the Poor and Road Commissioner. These records are on file with the Town Treasurer and are available to any taxpayer for inspection.

H. C. BELCHER,
N. C. PETERSON,
J. F. SHERLOCK,
Selectmen.

RESURFACING

The Tarvia treated East Road was given the usual coating of Tarvia B which was followed by a thorough dragging and considerable work on the shoulders and ditches at a total cost of \$1,442.76—the State paying \$961.84 and the Town \$480.92. \$620.78 was spent in resurfacing with crushed gravel a portion of the West Road. The State contributed \$413.85 and the balance of \$206.93 was drawn from this fund.

UNSELECTED ROAD WORK

\$569.02 was spent on the stone base and gravel resurfacing of a muddy stretch at the south end of the West Road. The State paid \$289.83 and the Town \$279.19. This road gets increasing use and will require more work. We were fortunate to find gravel near the job.

DUST LAYING

Calcium Chloride was applied to the same roads and streets which were treated the last few seasons. The cost was \$354.39 divided equally between the State and Town. Some more Chloride than usual is being carried in stock which is available for use next season when it is expected more will be required.

IN GENERAL

It has been customary to have the Road Commissioner do various Town work drawing orders in payment for the same from the General Highway funds and later reimbursing this account. Sidewalks, drains and the rock job were handled this year. Two ledges on Church St. were removed at a cost of \$872.95. A sharp curve on High St. was much improved at a cost of \$207.75. \$725.42 was spent on storm sewers, catch basins and ditches off selected highways. \$2,838.34 was spent on Powers Hill as Flood Repairs, toward which the State contributed \$2,045.90. \$1,248.84 was expended on sidewalks not including the marble slabs laid on South St. which were furnished gratis by the Vermont Marble Co. New sidewalks were laid on North St. and Meadow St. and replaced or repaired on South St., High St. and School St. Arrangements were again made for State Patrol of the East Road at a cost of \$330.00. The two maintenance items were about as usual but are likely to increase with traffic. Considerable gravel was used on several of the village streets and more attention paid to ditches and cleaning.

The Town owns very little equipment. Two, much used road machines, two old plows and some used shovels, bars, picks,

chains, etc., comprise the list. A truck might be a good investment since proposed construction on other roads next season will probably increase traffic over our roads and add to our maintenance problem.

PERMANENT HIGHWAY

State Aid is given only for work of a permanent nature on Selected Highways. Two dangerous curves on the East Proctor to Rutland road were selected for straightening and widening. \$3,393.15 was spent on this work toward which the State paid

\$1,341.56 and the Town \$2,051.59. The northern end of the Florence Road was regraded, ditched and resurfaced as another project at a cost of \$1,915.21 toward which the State paid the 1930-5% fund of \$193.99 plus \$1,014.15 State Aid or a total of \$1,208.14 and the Town \$707.07.

Additional work amounting to \$880.42 was done in rebuilding culverts and catch basins, and in improving the storm sewer system. These expenditures leave a balance of \$825.20 in this fund.

D. R. MAHAFFY,
Road Commissioner.

REPORT OF HEALTH OFFICER

Reportable diseases in Proctor during the period covered by this report show a gratifying decrease in number, from those of past years.

Only three families have been subjected to full quarantine and twenty-seven to modified quarantine.

The total number of communicable diseases reported was fifty-three, divided as follows: chicken pox, 46; German measles, 1; erysipelas, 2; diphtheria, 2; and scarlet fever, 2.

Milk and water samples have been sent to the State Laboratory for examination. The latter at quarterly intervals, on which a report of pure drinking water was made each time. Four samples of milk were taken from the creamery, one each from the dairies supplying the milk routes. The State Board of Health reported that all four samples were chemically up to standard and physically clean; two of the samples showed a bacterial count higher than normal.

WARNING

The legal voters in Town Meeting of the Town of Proctor, Vermont, are hereby warned to meet at the Village Hall, in the Village of Proctor, on Tuesday, the 3rd day of March, A. D. 1931, at 1:00 P. M. to vote on the following matters, to wit:

1. To choose a Moderator to govern said meeting.
2. To see if the Town will empower and authorize the Selectmen to appoint one or two Road Commissioners.
3. To choose the necessary Town Officers for the ensuing year.
4. To see if the Town will vote to raise more than twenty cents on the dollar highway tax as required by law.
5. To see if the Town will vote to raise money by taxation or otherwise to pay current expenses to meet the State highway, State school and other State taxes and the indebtedness of the Town, and to see when the same, and other taxes that may be voted, shall be payable.
6. To see if the Town will vote to accept the provisions of Sections 889 to 895, inclusive, of the General Laws, for the collection of taxes by the Town Treasurer.
7. To see if the Town will vote any compensation to Town Officers.
8. To see if the Town, under the provisions of Section 1463 of the General Laws, will vote to contract with the Proctor Free Library to furnish books to the inhabitants of the Town free and to appropriate money therefor.
9. To see if the Town will vote to authorize the Selectmen to borrow money for the temporary use of the Town.
10. To see if the Town will vote to defray expenses of surety bonds where bonds are required by law.
11. To see if the Town will vote to raise money in excess of the amount required by law to be expended in improving its highways and in accordance with the provisions of Section 4591 of the General Laws and amendments thereto.
12. To see if the Town will vote to appropriate money for the care and embellishment of the Riverside Cemetery; and if so, how much?
13. To see if the Town will provide for the laying of dust on the streets in the Village of Proctor by sprinkling or otherwise, and if so, to appropriate money therefor.
14. To transact any other business that may come before said meeting.

H. C. BELCHER,
N. C. PETERSON,
JOSEPH F. SHERLOCK,
Selectmen.

Proctor, Vermont, February 12, 1931.
